Section 2 – Plaque Details

Please clearly write the required inscription in the box below. **Use upper- and lower-case letters as required and check all spellings.**

Grave Marker Plaques can be up to 5 lines of text. A maximum of 18 characters, including spaces, per line. If a motif is requested a second plaque can be provided. A maximum of 2 plaques can be fixed on each post. All inscriptions will be centred on the plaque.

You may use a separate sheet of paper if required for multiple plaques.

The inscription must not be considered as offensive in any way. The final decision regarding such will be with The Natural Burial Company.

I request that the plaque/bench inscription is engraved as above. I understand that as each plaque is unique and engraved to order I am responsible for any inaccuracies in the inscription and that I will be liable for additional costs if the plaque/bench is engraved incorrectly resulting from a mistake in the above.

Signature **Date**

All plaques inscriptions are guaranteed for a period of 5 years. Please note however, that as a natural product Slate may have natural marks or imperfections which do not impact on the quality of the plaque, and accordingly cannot be included in this guarantee.

Memorial Benches are guaranteed for 5 years. After 10 years the Bench may be removed.

Trees are guaranteed for 5 years from planting. We do not recommend trees are planted during the late spring/summer season or in drought conditions. We will plant during these periods upon request but are unable to guarantee these trees.
