Section 2 – Plaque Details

Please clearly write the required inscription in the box below. Use upper and lower case letters as required and check all spellings. Our team will replicate this as the authorised inscription.

The Grave Marker Plaques can be up to 5 lines of text. A maximum of 18 characters, including spaces, per line. If a motif is requested the text is reduced to a maximum of 3 lines.

You may use a separate sheet of paper if required for an inscription on Memorial Benches as there is greater space for the inscription.

You can state what you wish; the key is that any inscription is appropriate to you and your loved one.

I request that the plaque inscription is cut as above. I understand that as each plaque is unique I am responsible for any inaccuracies in the inscription and that I will be liable for additional costs if the plaque/memorial bench is engraved incorrectly as a result of a mistake in the above.
