Trees and shrubs are carefully chosen to maximise the chances of successful growth. You will be invited to attend and participate in the planting of your tree. Typically, this is arranged in Spring and Autumn, subject to weather conditions. We will monitor the health of your tree and take necessary action within 5 years of planting up to and including replacement if required.

Note: We cannot be responsible for failure of trees planted during the months May – September, therefore, whilst we will plant during the summer period upon your insistence, we are unable to provide our usual guarantee for the first twelve months after planting.
