

The Natural Burial Company - STANDARDISED PRICE LIST

Note: Whilst we are not strictly a funeral director, we believe it fair and appropriate to provide this information. We provide services at our Natural Burial Grounds only. We can provide details of local funeral directors for those who require a traditional funeral or cremation service.

All funeral directors are legally required to publish this Price List for a standardised set of products and services. This is to help you think through your options and make choices, and to let you compare prices between different funeral directors (because prices can vary).
